WEST KENTUCKY RURAL ELECTRIC COOPERATIVE CORPORATION 2023 ACADEMIC SCHOLARSHIP PROGRAM OVERVIEW

Eight graduating high school seniors will receive academic scholarships from the West Kentucky Rural Electric Cooperative Corporation in 2023. Each scholarship, valued at \$1,000, is to be used toward tuition, textbooks and/or required class materials, and is available when the winner enrolls as a full-time student in the accredited college or university of his or her choice. Scholarship awards are payable directly to the student upon adequate proof of enrollment.

West Kentucky RECC makes academic scholarships available to graduating high school seniors as a way of helping deserving young people with the expenses of higher education and also as a means of honoring academic excellence.

A total of eight \$1,000 college scholarships (one-time grants) will be awarded as follows:

Two awards from District 1 - Calloway County

Two awards from District 2 - Carlisle and Hickman Counties

Two awards from District 3 - Graves County

Two awards from District 4 – Marshall Counties

Note: WKRECC will also award one vocational scholarship. This scholarship requires a separate application.

To be eligible for an academic scholarship, you must be a high school senior in good standing and your parent or guardian must be a member of and receive electric service from West Kentucky RECC at their principle place of residence. In addition, each scholarship participant must complete an application form, receive a favorable report from their guidance counselor and a high school teacher, and agree to abide by the terms and conditions as specified by West Kentucky RECC.

To apply for West Kentucky RECC's 2023 Academic Scholarship Program, contact your high school guidance office for a copy of an application or pick one up at the WKRECC business offices in Mayfield, Benton, and Murray. Applications are also online at www.wkrecc.com. For additional questions, contact Jodie Hansen at West Kentucky RECC by calling 270-247-1321 or 877-495-7322.

West Kentucky RECC is a community-focused electric cooperative created to deliver affordable, reliable, and sustainable energy to more than 38,000 homes, businesses, farms, and schools. West Kentucky RECC is owned and led by the members we serve in Calloway, Carlisle, Graves, and Marshall counties and distributes energy generated by the Tennessee Valley Authority.
