Stress-free payments!

WKRECC members may arrange for your payment to be automatically deducted from your checking account each month. You will receive a monthly bill for usage as always, however, instead of sending a payment, your checking account will be debited automatically.

The transfer of funds from your bank to West Kentucky Rural Electric Cooperative will be shown on your checking account statement and will serve as your receipt. The payment will not be drafted from your account until the due date shown on your monthly statement. There is no charge for Automatic Bank Draft.

To sign up for Automatic Bank Draft, complete the online bank draft authorization agreement form at wkrecc.com and upload an image of your voided check. You may also request a bank draft authorization agreement by calling customer service at 1-877-495-7322 or visiting any WKRECC business office.
